

Durable corrosion resistant powder-coat paint

Occupant Protective Structure (OPS) & light bar

A single T-Handle provides precise one hand control of speed, direction & braking

3-point seat belts with shoulder harness

High visibility halogen head lamps

Engine options 34 H.P. gas & turbo diesel

Large volume fuel tank for all-day operations

Rear receiver tow hitch

Durable fiberglass body with gelcoat finish

Maintenance free greaseless bearings

Walking beam design leaf spring center suspension

Heavy duty bumpers & side rails

UMHW Wheels provide superior strength, durability, long service life and are highly abrasion resistant

Front receiver hitch for winch & accessories

Rugged endless rubber tracks with internal drive lugs

Full length polyethylene skid pan

Heavy duty full length welded steel frame

Flexible suspension system with torsional springs

Aggressive Tread Tracks adding additional traction needed for pulling loads and ascending steep grades. Diamond design, provides excellent side hill traction

# RangeRunner

ALL-TERRAIN WORK VEHICLE

## Specifications

### ■ Performance

Turning Radius: ..... Zero Inches  
Speed: ..... Up to 15 M.P.H. (24km/h) Max.  
Gradability: ..... 100% grade or 45 Degrees  
Side Hill Stability: ..... 45 Degrees  
Drawbar pressure: ..... 1000 lbs., dependent on ground conditions

### ■ Ground pressure:

Unloaded ..... .82 PSI  
With Operator ..... .92 PSI  
With Operator and 100 lbs. of equipment ..... .97 PSI

### ■ Engine

34 Horsepower Turbo Diesel Daihatsu Engine

### ■ Drive

Tandem Sauer/Danfoss hydrostatic pumps, and wheel motors

### ■ Steering

Single T-Handle control

### ■ Tracks

Endless tracks of cured 3-ply polyester/steel cord reinforced rubber with double drive lugs molded inside

### ■ Bogie Wheels

UMHW polyethylene wheels; often referred to as the world's toughest polymer.

### ■ Suspension

Each set of bogie wheels is individually suspended by either steel springs or torsilastic springs

### ■ Brakes

Hydrostatic brake through T-Handle

### ■ Options/ Accessories

Windshield, light kits, remote hydraulics, snow blade, heater, wiper, electric winch, rear cargo rack, camera system with night vision capabilities and a vinyl all-weather enclosure

### ■ Dimensions

Length: 94 inches (2.4 m)  
Width: 63 inches (1.6 m)  
Height: 70 inches (1.8 m)  
Weight: 1,580 pounds (717 kg)  
Track Width: 15.5 inches (394 mm)  
Ground Clearance: 9 inches (230 mm)
