How We Work

Any farmer in New York can contact 1-800-547-FARM or complete the form at www.nyfarmnet.org with basic contact information, farm details, and a brief description of your goals, concerns, or questions. NY FarmNet’s staff will respond to you by either starting a case, or referring you to another organization. Once a case has been started, two FarmNet consultants, a financial consultant and a farm family consultant, will contact you directly to schedule a first meeting at your farm. Some cases may be resolved over the phone or with one visit, others may continue for more than a year, free of charge.

How We Can Help

NY FarmNet can help you identify problems facing your business and family, brainstorm solutions, and evaluate options to develop a plan of action. All consultations are free, and take place in the privacy of your own home. Our financial consultants have worked at Cornell Cooperative Extension, in the banking industry, or operated successful farms. NY FarmNet’s farm family consultants are licensed social workers.

We Help New York Agriculture Thrive
